

VALIDATION ERROR

How to view a Contractor's Licensing Status on a permit:

1. [Search for a permit](#)
2. Enter your permit number without the 01 at the end (i.e. 20150101123)
3. Press "Go!"
4. Click on the "Contacts" header.
5. Click on the "License Status" link under the Contractors information
6. Verify that the Contractor's "Application Status" is Active under the "License Application Summary" header

Two common reasons a Contractor is Inactive:

1. General Liability or Workers Compensation has expired
2. Registration or Licensing has expired

How to Resolve:

1. Submit Certificate of Insurance to Contractorslicensing@colliergov.net or Fax to 239-252-2469
