COLLIER COUNTY, FLORIDA
HUD FY 2016 – 2021 Consolidated Plan, FY 2016-2017 Action Plan
and Substantial Amendment for Prior Years Action Plans
Public Meeting Notice
Citizen Participation Announcement

Collier County is developing its FY 2016-2021 Consolidated Plan and its FY 2016-2017 One Year Action Plan as required by the U.S. Department of Housing and Urban Development (HUD). The goals of the Consolidated Plan are identified as: provide decent housing; provide a suitable living environment; and expand economic opportunities for very low, low and moderate-income persons. The Consolidated Plan guides Collier County's efforts for addressing both housing and non-housing community activities. This One-Year Action Plan determines expenditures for projects that will be conducted in the 2016-2017 program year.

Collier County is also further amending the Action Plans from years noted below to allocate unused funds.

Collier County, along with its entitlement city, Naples, has been allocated \$2,192,287 in Community Development Block Grant (CDBG) funds for FY2016-2017. In addition, unused funds will be allocated from FY 2014-2015 \$170,027.01, FY2013-2014 \$19,638.50, FY2012-2013 \$10,919.13, FY2011-2012 \$29,536.97, FY2010-2011 \$651.03, FY2008-2009 \$10,874.90, FY 2007-2008 \$141,472.38, FY2006-2007 \$14,137, FY 2005-2006 \$54,664.04, FY2004-2005 \$8,912, FY2003-2004 \$3,480, FY2002-2003 \$133,602.48, and FY2001-2002 \$11,642.76. Eligible activities for CDBG funds include, but are not limited to: construction and renovation of public facilities, land acquisition, and public services in accordance with 24 CFR § 570.201. Approximately 100% of the total allocation will benefit low and moderate-income persons.

Collier County has been allocated \$477,136 in HOME Initiative Partnership Program (HOME) funds for FY2016-2017 to expand the supply of decent, affordable housing for low and very low-income families. In addition, unused funds will be allocated from FY2014-2015 \$7,000.20, FY 2013-2014 \$108,399.25, FY2012-2013 \$43,386.55, FY2010-2011 \$67,014, FY2008-2009 \$38,006.76, FY2007-2008 \$11,433.48, FY2006-2007 \$271.19, FY2003-2004 \$32,472.97 and FY2002-2003 \$1,530.84. Unallocated HUD required CHDO Set Aside funds are allocated once an eligible project request is received and approved. Approximately 100% of the total HOME allocation will eventually be used to benefit very low and low-income citizens.

Collier County has been allocated \$184,402 in Emergency Solutions Grant (ESG) funds from FY2016-2017. ESG funds may be used for emergency homeless shelters operations, re-housing of homeless individuals and families, Homeless Management Information Systems (HMIS), and homelessness prevention activities and outreach. Approximately 100% of the total allocation will benefit the homeless or individuals/families that are at risk of homelessness.

Proposed projects for the FY2016-2017 funding year and those funded with prior year unallocated funds have been identified in the One Year Action Plan section of the Consolidated Plan.

During the Public Hearing on June 28, 2016, these plans and projects will be presented for approval by the Board of County Commissioners. If, for any reason, this item is continued by the Board of County Commissioners it will be heard at the July 12, 2016 Board of County Commissioners regular meeting, with no further advertising required.

Public Comment Period

There will be a public comment period from May 20, 2016 to June 20, 2016 regarding both the Consolidated Plan and the One Year Action Plan. Public Meeting Notice
Citizen Participation Announcement**

Collier County is developing its FY 2016-2021 Consolidated Plan and its FY 2016-2017 One Year Action Plan as required by the U.S. Department of Housing and Urban Development (HUD). The goals of the Consolidated Plan are identified as: provide decent housing; provide a suitable living environment; and expand economic opportunities for very low, low and moderate-income persons. The Consolidated Plan guides Collier County's efforts for addressing both housing and non-housing community activities. This One-Year Action Plan determines expenditures for projects that will be conducted in the 2016-2017 program year.

Collier County is also further amending the Action Plans from years noted below to allocate unused funds.

Collier County, along with its entitlement city, Naples, has been allocated \$2,192,287 in Community Development Block Grant (CDBG) funds for FY2016-2017. In addition, unused funds will be allocated from FY 2015-2016 \$336,614, FY 2014-2015 \$170,027.01, FY2013-2014 \$19,638.50, FY2012-2013 \$10,919.13, FY2011-2012 \$29,536.97, FY2010-2011 \$651.03, FY2008-2009 \$10,874.90, FY 2007-2008 \$141,472.38, FY2006-2007 \$14,137, FY 2005-2006 \$54,664.04, FY2004-2005 \$8,912, FY2003-2004 \$3,480, FY2002-2003 \$133,602.48, and FY2001-2002 \$11,642.76. Eligible activities for CDBG funds include, but are not limited to: construction and renovation of public facilities, land acquisition, and public services in accordance with 24 CFR § 570.201. Approximately 100% of the total allocation will benefit low and moderate-income persons.

Collier County has been allocated \$477,136 in HOME Initiative Partnership Program (HOME) funds for FY2016-2017 to expand the supply of decent, affordable housing for low and very low-income families. In addition, unused funds will be allocated from FY2014-2015 \$7,000.20, FY 2013-2014 \$108,399.25, FY2012-2013 \$43,386.55, FY2010-2011 \$67,014, FY2009-2010 \$42,077.07, FY2008-2009 \$38,006.76, FY2007-2008 \$11,433.48, FY2006-2007 \$271.19, FY2003-2004 \$32,472.97 and FY2002-2003 \$1,530.84. Unallocated HUD required CHDO Set Aside funds are allocated once an eligible project request is received and approved. Approximately 100% of the total HOME allocation will eventually be used to benefit very low and low-income citizens.

Collier County has been allocated \$184,402 in Emergency Solutions Grant (ESG) funds from FY2016-2017. ESG funds may be used for emergency homeless shelters operations, re-housing of homeless individuals and families, Homeless Management Information Systems (HMIS), and homelessness prevention activities and outreach. Approximately 100% of the total allocation will benefit the homeless or individuals/families that are at risk of homelessness.

Proposed projects for the FY2016-2017 funding year and those funded with prior year unallocated funds have been identified in the One Year Action Plan section of the Consolidated Plan.

During the Public Hearing on June 28, 2016, these plans and projects will be presented for approval by the Board of County Commissioners. If, for any reason, this item is continued by the Board of County Commissioners it will be heard at the July 12, 2016 Board of County Commissioners regular meeting, with no further advertising required.

Public Comment Period

There will be a public comment period from May 20, 2016 to June 20, 2016 regarding both the Consolidated Plan and the One Year Action Plan. Subject: Allocation of Grant Funding for 16/17 projects

Honorable Commissioners,

On tomorrow's agenda (16D23), you will approve the county's new 5-Year Consolidated Plan. This was compiled after holding several public meetings, focus groups, conducting surveys and in consultation with many local non-profit agencies. The result of these combined efforts show the county's largest concern is housing affordability. HUD also has identified that its primary national objective for the use of CDBG, HOME and ESG funding is for affordable housing. And yet, today you will be asked to approve the allocation of grant funding with only a quarter of the nearly \$3.8 million dollar allocation being spent on that issue. I hope that you will take just a moment to review the attachment which summarizes the work that has gone into the Consolidated Plan and the proposed grant budget. Please know that we are doing our best to address the growing need for affordable homeownership opportunities for those who are critically underserved but who are working hard to serve YOUR constituents and who make Collier County such a lovely place to visit by providing vital services to our guests in the hotels, resorts, hospitals and more. We continue to miss opportunities to strengthen our community by not providing incentives and encouragement to those who will provide the most basic of human needs: safe, secure housing, to members of our workforce.

Thank you for taking your time to review and question this funding allocation.

Respectfully,

Lisa

THE 2016-2021 CONSOLIDATED PLAN AND ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE

Welcome to the website for Collier County's 2016-2021 Consolidated Plan, 2016-2017 Annual Action Plan, and Analysis of Impediments to Fair Housing Choice!

The Consolidated Plan, much like a strategic plan, will identify housing and community development needs anticipated over the next five years. Community needs may include things like sheltering, assistance to small businesses, food pantries, youth and senior programs, assistance with transportation or home improvements, and improvements to public facilities like parks and libraries. The updated Consolidated Plan will be used to guide program funding over the next five years.

The Analysis of Impediments will identify barriers to equal access to housing due to race, ethnicity, national origin, religion, gender, disability, and familial status, and provide strategies to overcome these impediments. It will cover public and private policies, practices, and procedures affecting housing choice and provide essential information to policymakers, administrative staff, housing providers, lenders, and fair housing advocates.

Both studies are required by the U.S. Department of Housing and Urban Development (HUD) as a condition of the receipt of Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) funds.
