

SR 29 at New Market Road W Intersection Improvements

FPID: 433412-1-52-01

CONSTRUCTION PROJECT

The Florida Department of Transportation is improving intersection safety at the SR 29/N. 15th Street and New Market Road W intersection.

Improvements include smoothing the turn lane curve and extending the sidewalk.

PROJECT INFORMATION

- Construction will begin March 2017, weather permitting.
- Estimated completion is Spring 2017.
- Motorists can expect lane closures.
- Please be alert for construction crews.
- Engineering and construction costs are approximately \$55,000.
