

FLORIDA PRODUCT APPROVALS & MIAMI DADE NOA'S

The implementation date for the new *Florida Product Approval System* was October 1, 2003. Rule 9B-72 of the Florida Building Commission establishes a higher standard of practice for product evaluations, as well as uniformity and consistency of enforcement statewide. To find a product approval [click here](#).

The Miami-Dade Notice of Acceptance (NOA) are set forth by Miami-Dade County for all construction trades. They all have Florida Product Approval, but the installation methods are a little stricter. To find a NOA [click here](#).

Eight Categories of Products

1. Exterior Doors
2. Windows
3. Panel Walls
4. Roofing Products
5. Shutters
6. Skylights
