

Florida Friendly Landscaping™ for Community Associations Workshop

Landscape Best Management Practices for Community Leaders

Are irrigation costs draining your organization's budget? Do you and your property owners want better-looking, healthier landscapes for your money, time and effort?

Attend a **free Florida-Friendly Landscaping™ (FFL) for Community Associations** workshop to learn University of Florida (UF)'s powerful principles for sustaining healthy landscapes. Learn tips and tools for Community Leaders, including Association Directors, Architectural Review Board members, Lakes and Landscape Committees and Property Managers.

Then **schedule a free Neighborhood Recognition site visit** with the Florida Yards and Neighborhoods Advisory team. You'll discover how well your association is applying UF's science-based best management practices. Plus, you'll receive recommendations that will enable easy-on-the-eyes-and-budget landscapes that everyone will enjoy.

**Workshops will be held at the Collier County Museum,
3331 Tamiami Trail E, Naples, FL 34112**
