### Roof Repair Requirements

Per Florida Building Code Existing Building 706.1.1, not more than 25 percent of the total roof area or roof section of any existing building or structure shall be repaired, replaced, or recovered in any 12-month period unless the entire existing roofing system or roof section is replaced to conform to requirements in this code.

**If damage area exceeds 25% of the roof area, a complete re-roof is necessary.**

Section A: Square footage of the area to be repaired:  Sq.Ft.

Section B: Square footage of the existing roof area:  Sq.Ft.

Percentage to be repaired:  Sq.Ft.

**A** divided by **B x 100** = Percentage of roof area to be repaired.  %
