RE: Forest Lakes – Monthly Maintenance Report

The following is a brief maintenance status report for the Forest Lakes Common Areas:

DIRECTORY SIGN AREA:

- No action required.

CIRCLE MEDIAN:

- Several of the Croton have lost significant foliage. Investigate cause and rectify.

ENTRY EAST ROW:

- No action required.

ENTRY WEST ROW:

- The rain sensor PVC riser has fallen over and needs to be set back up and secured to the controller box.

MAIN ENTRY ISLAND:

- 4-6 Crown of Thorns on the west side of the median are leggy, largely defoliated and laying over. Trim out dead canes and encourage to flush out new growth.

FOREST LAKES BLVD:

- No action required.

WOODSHIRE LANE:

- No action required.

GENERAL:

- Once proposal is approved, WSI will prepare the Irma replacement tree conceptual plans.

Please email or call me if you have any questions.
