

What is the main objective of this Restudy process, to you?

Keep Collier County from being ^{over-}developed
~~as~~ as Pade County / Miami area has
Preserve water resources
Preserve habitats

Name (Optional): E Orsay up - Purple ~~DEP~~

What is the main objective of this Restudy process, to you?

To make the RLSA better!

provide ag credits

Create Regional wildlife
Connections

Name (Optional):

Nancy Taylor

^{Group}
What is the main objective of this
Restudy process, to you?

Have actual impact on BCC's ultimate decision

Name (Optional): Mimi Nloko

What is the main objective of this Restudy process, to you?

1. Reassess based on initial intent \rightarrow 14,800 ac. of dev't only
2. Reassess Natural Resource Index values based on new best available science
3. Recalibrate credit # needed for an ac. of dev't
4. Calculate infrastructure costs.

Name (Optional): Nicole Johnson

What is the main objective of this Restudy process, to you?

To assess the opinions & wants of an interested segment of the public regarding RLSA policies.

I'm concerned that these sessions may not appear relevant to a larger segment of the population, either by their underestimation or an inability to educate/convey value.

Name (Optional): Reggie

What is the main objective of this Restudy process, to you?

To begin talking about some important issues.

- Too ambitious
- Materials needed
- More info in advance, including topics for discussion + questions.

Name (Optional): Alison Wescott

What is the main objective of this Restudy process, to you?

To provide for responsible, fair development of eastern lands that is best for the country economically and environmentally.

Name (Optional): Dr. Jennifer Boddicker

BLUE

What is the main objective of this Restudy process, to you?

NOT SURE WHAT
THE OBJECTIVE IS AT THIS
POINT BUT IT DOESN'T
SEEM GOOD!

Name (Optional): Bobbit Lee

What is the main objective of this Restudy process, to you?

There is a basic misunderstanding of some very basic parameters of the program that participants do need correct information on in order to make comments. These need to be addressed ^{so people are basing input on accurate info}. It is hard to come into a session as a new person who is unaware of program.

Name (Optional): Lisa Priddy

BLUE

What is the main objective of this Restudy process, to you?

To understand the RLSA and discuss ways to strengthen or make it a better program

Name (Optional): Aka Piclady

Grey
What is the main objective of this
Restudy process, to you?

Need to consider the pertinent 5-Year
Review Findings and recommended GMPA's.
Update data/science as needed, but don't
take another 9 years!

Name (Optional): Brad Cornell

GREY
What is the main objective of this
Restudy process, to you?

TO EDUCATE AND MOTIVATE THE CITIZENS OF COLLIER COUNTY

TO COLLABORATE WITH THE RLSA

TO UNDERSTAND THE ENVIRONMENTAL IMPORTANCE OF THE RLSA

TO UNDERSTAND THE RLSA

AND HOW THE RLSA OPERATES

Written In Pencil - To educate and motivate the citizens of Collier County to understand the environmental importance of the RLSA and how the RSLA operates.

Luke Larson

Name (Optional):

LUKE LARSON
