Re: LDCA-PL20180002172 Affordable Housing

The enclosed Land Development Code Amendment (LDCA) was reviewed by the DSAC-LDR Subcommittee (DSAC-LDR) on August 21, 2018. The DSAC-LDR unanimously approved the LDCA with certain minor changes, all of which have been incorporated into the draft LDCA. Staff also made minor edits after the DSAC-LDR for grammar and consistency with the DSAC-LDR's recommendations, and these edits are highlighted in the enclosed.

Staff anticipates the following hearing dates:

- CCPC – October 4, 2018 or October 18, 2018
- BCC – November 13, 2018 or December 11, 2018
