Subject: FW: missing DCA documents from RLSA libraries

Greetings Thomas:

Reference is made to a request from Gaylene Vasaturo, below, seeking a copy of a letter dated 6/16/08 that was referenced in comments made by 1000 Friends during the 5 Year Review testimony. We are unable to find a document with this date and wonder whether you might have a record of it. It is also possible that the date provided was incorrect. Are you able to shed any light on this question?

Thank you in advance, and please feel free to contact me at any time,

Gaylene:

Thank you for your efforts in adding to the historical record.

1. Please find attached the 2006 cycle ORC Report. We will add this to the Library.
2. We were not able to find any correspondence from DCA matching the date (6/16/08) described below. This was near the timeframe during which the County Manager and Commissioner Pelham corresponded (see Library/ 5 year review/supporting documents, CC-FF). I will ask Thomas Hawkins if they have a record of it; if not, we can

ask DEO. Do you have any other thoughts on how to research whether this is missing or simply references the wrong date?

Respectfully,

Kris Van Lengen

Subject: missing DCA documents from RLSA libraries

I could not find the July 14, 2008 ORC Report to the County from the DCA entitled "Objections, Recommendations and Comments Report" in the RLSA library or the RLSA Restudy library. Among other things, this report expressed DCA's strong feeling the Big Cypress area of Critical State Concern would suffer adversely from multiple impacts and thereby violate the Florida Administrative Code. This report is referred to in the 4/7/09 Executive Summary by County Staff to the BCC. The Report may pertain to the DCA review of the 2006 cycle of GMP amendments approved for transmittal April 2008, as the RLSA revisions would be a large amendment to the GMP. This document is important to put in the library for the RLSA restudy.

Also, in the transcript of the hearing before the BCC 4/2009 on the 5 year review recommendations, the 1000 Friends of Florida speaker discussed a 6/16/08 letter from the DCA to the County that expresses the DCA's position that credits should be capped at 315,000. I also could not find this letter in either of the RLSA libraries. Will you add this document to the library?
