The Collier County Parks and Recreation Division invites you to visit one of our beautiful recreation centers, parks or beaches to...

B Healthy, Active & Playful

Our division strives to contribute to your quality of life. A balance between work and play, opportunities for personal growth and community involvement, and a sense of both belonging to and ownership of the place one inhabits are all fostered by the green spaces and recreation activities Parks and Recreation provides. In this guide, you will see programs listed for every community park and fitness center - so come in and visit a facility today!

Dear Collier County Residents and Visitors,

Fall is in the air (or it will be soon). In southwest Florida the weather is always right. Look for those cooler days to start a new habit. Run in the park, walk, take your dog, come as you are, there are hundreds of activities for those of you wishing to be active. Look for ways to maintain your health and feel good about yourself. Join the gym, play

a sport, or just relax by the beach. We have all types of diversions for those fall days. New things are always happening at the Parks. We are finishing the design of our latest park--Big Corkscrew Island Regional Park. This park has athletic fields, a community center for fun activities, an aquatics facility, playground, and trails galore. We anticipate the park beginning construction next summer. Don't forget to put Snowfest on your schedule for December. It is one of the only times that it snows in southwest Florida and we're anticipating a blizzard for sure. Bring your gloves and get ready to play on our snow piles, see Santa, and enjoy the holiday atmosphere. We hope to see you there.

Parks & Recreation Director
