## B Healthy, Active & Playful

Our division strives to contribute to your quality of life. A balance between work and play, opportunities for personal growth and community involvement, and a sense of both belonging to and ownership of the place one inhabits are all fostered by the green spaces and recreation activities Parks and Recreation provides. In this guide, you will see programs listed for every community park and fitness center - so come in and visit a facility today!

*Dear Collier County Residents and Visitors,*

Lots of exciting things happening at Collier County Parks and Recreation this winter/spring. Eagle Lakes Community Park Aquatic Facilities is officially open. If you're a seasonal visitor and down for the winter, keep up your aerobic activities by joining a water spinning class. This class combines the aerobic workout of cycling/spinning, but you do it in the pool. What's the advantage? Much easier on your joints, but you still get a tremendous workout. Come by sometime this season for a try. We're also finalizing construction

documents for our latest park—Big Corkscrew Island Regional Park. The many years of hard work by the community, government, and stakeholders are finally coming to fruition. We look to begin construction of the park in the fall of 2019. Thank you to all of the folks who have been involved in this most important park. Finally, we're also looking to make things a big easier when you make a transaction with us at Parks. Our community centers have gone "cashless." What this means is you can easily pay with your credit or debit card for those things you use at Collier County Parks and Recreation. It helps both you and us to have better accountability of the transactions. Still need to pay with cash, let us know and we'll help you with that too, but enjoy the new cashless system and how it can help you track your expenses with us. We hope that this winter/spring is an enjoyable one for you, we look forward to serving you at one of the many park locations throughout Collier County. Remember to play, connect, and discover in your Collier County Parks.

## VOLUNTEER OPPORTUNITIES!

Volunteering through Collier County Parks & Recreation is a great way to give back to the community, meet new people, and even fulfill educational service-learning hour requirements. A variety of Volunteer opportunities within Collier County Parks & Recreation are available throughout Collier County each year and are available for anyone over the age of thirteen. The Volunteer Program offers flexible hours and works with your schedule! Applications are accepted year-round, and volunteers may choose to work in one location, or move throughout the county. Opportunities vary based on the needs of each location.

Please contact us for information or to suggest a project. We need at least 4 weeks notice if your group wants to schedule an event.

For more information call 239-252-4033 or email [VolunteerAtParks@Colliergov.net](mailto:VolunteerAtParks@Colliergov.net)

## AQUATIC EXERCISE CLASSES

### ELCP Cycle The Wave \$7

Introducing a "new wave" of stationary cycle fitness classes. Enjoy the benefits of a group cycle class in cool water surroundings. This innovative cycle class will allow the cyclist to perform high resistance based pedaling to increase the workload in a safe, less downward force type impact. Gravity is LESS of a factor in water than compared to a traditional land based cycle class. Ages 18 and older

[14415](#) Jan 17-May 9 Thu 9:00am-10:00am

### ELCP Water Aerobics- Deep Water \$7

This class is conducted in the diving well of the pool. Swimming ability is required. The class will be an hour long. The participants use buoyancy belts and/or Styrofoam barbells to remain vertical without submerging. There are a variety of motions which include water walking and running, abdominal and toning exercises. It is designed to burn fat and range of motion and muscle tone. Ages 18 and older

[14229](#) Dec 5-Apr 24 Wed 9:00am-10:00am

### ELCP Water Aerobics- Shallow Water \$7

Water aerobics is easier on the joints and the water provides resistance for strength training. This class is conducted in the shallow end of the pool and swimming ability is not required. It is a low impact but has high intensity. By using the resistance of the water, it also helps cushion your feet, knees, and back. You can move to the beat with lively music. Ages 18 and older
