Dear Collier County Residents and Visitors,

Lots of exciting things happening at Collier County Parks and Recreation this winter/spring. Eagle Lakes Community Park Aquatic Facilities is officially open. If you're a seasonal visitor and down for the winter, keep up your aerobic activities by joining a water spinning class. This class combines the aerobic workout of cycling/ spinning, but you do it in the pool. What's the advantage? Much easier on your joints, but you still get a tremendous workout. Come by sometime this season for a try. We're also finalizing construction

documents for our latest park—Big Corkscrew Island Regional Park. The many years of hard work by the community, government, and stakeholders are finally coming to fruition. We look to begin construction of the park in the fall of 2019. Thank you to all of the folks who have been involved in this most important park. Finally, we're also looking to make things a big easier when you make a transaction with us at Parks. Our community centers have gone "cashless." What this means is you can easily pay with your credit or debit card for those things you use at Collier County Parks and Recreation. It helps both you and us to have better accountability of the transactions. Still need to pay with cash, let us know and we'll help you with that too, but enjoy the new cashless system and how it can help you track your expenses with us. We hope that this winter/spring is an enjoyable one for you, we look forward to serving you at one of the many park locations throughout Collier County. Remember to play, connect, and discover in your Collier County Parks.
