

EXECUTIVE SUMMARY
Reports/Presentations
Item 6c
Route Planning

Objective:

To present proposed routing that was discussed with committee member John Jenkins.

Considerations:

Staff had an opportunity to meet with Member John Jenkins to discuss his ideas related to route planning. The ideas will be presented to the committee for feedback.

Any routing recommendation that the Committee will like to explore will be included as part of the upcoming Transit Development Planning process.

Recommendation:

Discussion item. No approval required.

Attachment:

None. Routing maps to be presented at meeting.
