## Floodplain Management Mission Statement

To maintain and enhance a floodplain management program consistent with the needs of the community, the National Flood Insurance Program (NFIP), and the Community Rating System (CRS) requirements.

For Information regarding FEMA's Risk Rating 2.0, please see the linked [PDF](#) and link to the official [FEMA Risk Rating 2.0](#) webpage.

## NEW 2019 Preliminary Flood Maps

On December 31, 2019, FEMA Region IV released the preliminary maps for Collier County as a part of the Southwest Florida FEMA Coastal Risk Mapping, Assessment, and Planning (Risk MAP) program.

The Collier County Preliminary Flood Insurance Rate Maps focus on areas that may be affected by coastal flooding. FEMA has utilized a new and improved topographic mapping technology to assess the coastal flood risk. If you like to learn more about the Preliminary Maps Process including the proposed maps, please click [here](#).
