## July Is Parks & Recreation Month July 1 - July 31, 2019

In celebration of National Parks & Recreation Month Collier County Parks and Recreation will be hosting the Great Park Scavenger Hunt.

Since 1985, America has celebrated July as the nation's official Park and Recreation Month. Created by NRPA, Park and Recreation Month specifically highlights the vital and powerful role local parks and recreation, such as Collier County Parks & Recreation play in conservation, health and wellness, and social equity efforts in communities all across the country.

This year, it's all about highlighting the fun, games and exciting offerings at your local parks and recreation centers. From providing special events to exciting sports leagues and everything in between, Collier County Parks & Recreation has a wide variety of programs that are not only fun, they also bring the community together. NRPA and Collier County Parks & Recreation are encouraging everyone to get out there and get in the game in their own way at their local parks and rec centers.

The Great Park Scavenger Hunt begins July 1st through July 31st. Just follow the instructions on the flyer.
