**E-Procurement Update**

Last month we told you that Collier County is streamlining it's vendor outreach program for bids and request for proposals. e-Procurement will be available 24 hours a day/7 days a week and will allow suppliers to:

- ⇒ Register and maintain their own business profile
- ⇒ Receive email notifications of the County's bids and RFP's
- ⇒ Download bids, RFP's and addenda's
- ⇒ Access bid tabulations and award information

Look for more sign-up information in March. We hope to have e-Procurement tested and activated by late March. If you have any questions, please contact Mike Hauer at (239) 774.8975 or [mikehauer@colliergov.net](mailto:mikehauer@colliergov.net)
