Side walk on Gulf Shore East side

Improve Sidewalks and install lights on Gulf Shore Drive

Traffic on Vanderbilt beach Rd. The Sidewalks are not safe for Bikers and walkers. There were some bad accidents last year. This issue needs to be addressed

Maintenance of landscape is poor at best

We need to survey which projects might be next.

you need a periodic newsletter to all MSTU taxpayers in our district . Most people don,t know the good work that you do or even what an MSTU is.. also you need to do more work for the 600 families that live on Baker Carroll Pointe.
