

AIRCRAFT HANGARS FOR LEASE AT MARCO ISLAND EXECUTIVE AIRPORT

*WELCOME TO YOUR VERY OWN PRIVATE HANGAR
AT ONE OF THE COUNTRY'S MOST EXCLUSIVE,
PREMIER DESTINATION AIRPORTS!*

KMKY has undergone a total redevelopment, including increased apron space and the construction of a stunning new, state of the art \$11 million terminal building. The Marco Hangars development project is the final phase of the airport redevelopment plan. It uses up the last available land. No other hangars will ever be built here!

Protect your aircraft from one of the most brutal environments there is- harsh, hot, humid, sunny Florida. Just one month of leaving your plane unprotected can cost you tens of thousands in damage to your paint, boots, windshield, and corrosion.

DO NOT MISS OUT ON THIS RARE OPPORTUNITY TO PROTECT ONE OF YOUR MOST VALUABLE ASSETS AND HAVE YOUR VERY OWN PRIVATE HANGAR AT KMKY!

The hangars are accessible only via keypad entry gate, which allows you to drive directly in to your private unit. Each hangar has separately metered electric. There are two shared restrooms exclusively for the use of these 11-units, not publicly accessible to airport clientele.
