

Special Events

Many of Collier County's Parks host special events throughout the year. These events can have attendance numbers from 100 to over 600 event goers. Many events are family oriented while some are designed to provide education in specific fields to our community.

For a list of upcoming events click [here](#).

Special Event volunteer opportunities generally include assisting with: event setting up/tear down, survey takers, game runners, refreshment table host/hostesses, admissions team, and more.

Please list "Special Events" on your Parks & Recreation volunteer application. If you are only looking to volunteer for a single event or less than 10 hours for the year, you can complete the ["Special Event"](#) application.
