Naples, Fla. —The Florida Department of Health in Collier County (DOH-Collier) is aware that people are making appointments for the COVID-19 vaccine via Eventbrite and receiving fake tickets. However, these appointments are not through DOH-Collier.

To ensure everyone makes an appointment with DOH-Collier, follow [CollierCountyCOVIDVaccines.Eventbrite.com](https://www.eventbrite.com/e/collier-county-covid-19-vaccines).

At this time, we are not scheduling appointments for the COVID-19 vaccine for next week. We are expecting more vaccine. However, we will not schedule appointments until we have received the vaccine.
