

APPLICATION REQUIREMENTS - Gas

PRGS

1&2 Family, Multi-Family and Commercial

General Requirements

All submittal requirements must have documents completed and submitted for review.

- **Application Form:** Building Permit Application
- **Gas Plans:** Plans showing scope of work, signed and sealed, if applicable.

Gas Piping: A plan showing the BTU rating of each appliance served, the type of pipe to be used, the size and length of pipe to each appliance, the layout, demand load, inlet pressure, and pressure drop.

Tanks—Above or Underground: Details of the tie down and/or burial methods showing cathodic location, specification sheet for tank to be installed.

Foundation tank information if above ground tank.

Additional Requirements

Additional documents may be required based on information provided.

- **Site Planning Document:** Tanks: Site plan showing size, location, setbacks and dimensions of the tank. Note if above or below ground.
- **Private Provider Package:** Required if a Private Provider is performing inspections or plan review.
- **Owner-Builder Affidavit:** For owners of property when acting as their own contractor and providing direct, onsite supervision themselves of all work not performed by licensed contractors. Document must be signed in person and notarized by Collier County Growth Management staff.
