

APPLICATION REQUIREMENTS - Marine

PRMAR

Docks, Seawalls, & Boat Lifts and Marine Demo

General Requirements

All submittal requirements must have documents completed and submitted for review.

- **Application Form**: Building Permit Application
- **Site Planning Document**: A site plan showing location of proposed dock, seawall or boat lift. Signed and sealed by a registered Architect, P.E. or surveyor.
Should include:
 - Any proposed improvements
 - Width of canal
 - Measurement of dock protrusions made from the most restrictive of the following: property line, bulk-head line, shoreline, seawall, rip-rap line, control elevation contour, or mean high water line.
- **Construction Plans**: Plans reflecting the scope of work, signed and sealed, if applicable, by an Architect or registered P.E.

Additional Requirements

Additional documents may be required based on information provided.

- **Owner-Builder Affidavit**: For owners of property when acting as their own contractor and providing direct, onsite supervision themselves of all work not performed by licensed contractors. Document must be signed in person and notarized by Collier County Growth Management staff.
