

APPLICATION REQUIREMENTS - Water Feature

PRWF

For 1&2 Family, Multi-Family, and Commercial

General Requirements

All submittal requirements must have documents completed and submitted for review.

- **Application Form:** Building Permit Application
- **Construction Plans:** Plans reflecting the scope of work, signed and sealed, if applicable.
- **Site Planning Document:** A proposed site plan.
 - This document may need to be certified if new impervious area is over 400 sq ft and not older than 6 months, signed and sealed by a licensed Florida professional surveyor and mapper, architect or engineer, showing property lines, setbacks, easements, water bodies, and all existing and proposed structures.
 - If on septic: Please show distance of proposed structure to septic. Per 62-6.005(2) F.A.C., must be at least 5 feet away.

Additional Requirements

Additional documents may be required based on information provided.

- **Owner-Builder Affidavit:** For owners of property when acting as their own contractor and providing direct, onsite supervision themselves of all work not performed by licensed contractors. Document must be signed in person and notarized by Collier County Growth Management staff.
- **Private Provider Package:** Required if a Private Provider is performing inspections or plan review.
- **Storm Water Plan:** Required on lots with 1 & 2 Family dwellings, with the following exceptions:
 - Lots located in the Rural Agricultural (A) Zoning district outside the Immokalee Urban Area Overlay district and outside the coastal urban designated area as established in the Future Land Use Map; and
 - Lots that have received a Surface Water Management or Environmental Resource Protection permit from the South Florida Water Management District.
